

**The Japan Foundation New Delhi Support for Participants from India
for the Virtual AAS 2021 Annual Conference**
Application Instructions

1. Program Description

The Japan Foundation New Delhi (JFND) supports the emerging Indian scholars for the Virtual AAS 2021 Annual Conference from March 21-26, 2021. By doing so, JFND hopes to support scholars' academic career development as well as to create a stronger network cultivated among scholars in India and Japan.

2. Eligibility

Applicants shall fulfill all the followings:

- (1) Scholars in Japanese studies or IR and Area Studies working on Japan related;
- (2) Scholars who present or participate in the conference from India remotely;
- (3) Scholars who can pay the registration fee via online. JFND will reimburse it later.

3. Application Procedure

Please submit the "Application Form" and other documents specified on the form by e-mail to the contacts below. **The deadline is January 29th, 2021.**

4. Finance Support to be Provided

Conference registration fee

5. Selection Policy

Higher priority is given to;

- (1) Scholars who will participate in the AAS conference for the first time;
- (2) Emerging scholars who are teaching about Japan at the higher educational institutions.

6. Terms and Conditions

- (1) Awardees must register on their own by February 28th, 2021.
- (2) Awardees are required to attend at least 5 online sessions related to Japan via live-stream sessions, and shall report on those panels in their final report.
- (3) If awardees decided not to attend the conference after they submit the "acceptance form", the Japan Foundation may ask you for a refund of costs that JFND bore for the awardees.
- (4) Awardees must submit a final report by April 30th, 2021.
- (5) This financial assistance covers the registration fee only.
